

COVID-19 FACILITY UPDATE

The facility is required to update all staff, residents, and family members of cumulative, confirmed COVID-19 cases as well as clusters of three or more residents or staff with respiratory symptoms within 72 hours. The facility is not required to identify new versus total cases.

Updated: 09/06/2022 <i>Totals starting from: 01/21/2022</i>	RESIDENTS	STAFF
TOTAL COVID-19 DEATHS	0	0
TOTAL COVID POSITIVE (including already recovered)	28	22
INCIDENTS OF THREE OR MORE RESIDENTS OR STAFF WITH RESPIRATORY SYMPTOMS WITHIN 72 HRS OF EACH OTHER.	0	0

In cooperation with local, state, and federal public health departments, Alhambra Convalescent Hospital will test all residents and staff members for COVID-19 as recommended. All COVID-19 tests performed at Alhambra Convalescent Hospital are through a lab approved by the California Department of Public Health (CDPH).

This list will be updated weekly and / or when new cases occur.

Thank you!
